Minnesota Business Snapshot

To better serve Minnesotans, the Secretary of State's Office has created the "Minnesota Business Snapshot," a short and simple survey produced with the input of business owners, business organizations, non-profits, and researchers from across the state. These five questions will take less than three minutes to complete, and you may answer any or all of them. There is no penalty if you choose not to provide this information. However, the answers you do provide will create a useful pool of information for potential customers and inform the analysis of our quarterly "Minnesota Economic and Business Condition Reports". We do not independently verify the answers applicants provide. **Again, this survey is voluntary and the answers are considered public data.** Thank you.
