

Post in Withdrawal of DBA

[Carol Becker](#)

Posted at 1:40am

Given the outcry over my filings of DBA over the last couple days, it is my intention to withdraw my DBAs on Monday. That way, if existing groups want to file as businesses or as non-profits, they will be able to. It would be my intention to re-file in six months for remaining intellectual assets after those groups have had the opportunity to do so.
